An exchange Erasmus student from Partner Countries (International Credit Mobility Programme) is someone who comes to the UGR via a specific inter-institutional agreement signed between the UGR and the student’s home university under Erasmus + Programme.

These bilateral agreements are established with universities in non-EU countries, called Partner Countries. In order to be accepted as an Erasmus + student, the candidates will need to be selected and nominated to take part in the exchange programme by the International Relations Coordinator at their home university.

The selection of outgoing candidates is carried out by the sending institution. In order to ensure the viability of each student’s study programme, for students coming to UGR, language requirements are in existence (please see the document “Language requirements for undergraduate and master's students” for more details about language requirements, certificates accepted, exemptions, UGR's Spanish online proficiency exam eLADE, and linguistic resources to prepare the exam and the mobility in the attachment).

The home institution should send the nomination of the selected candidates by e-mail to the UGR. The nomination should be received at the International Office by 15th May, 2018.

Once nominated, students must apply on-line, in the period from 1st of April and 15th of May, 2018: https://oficinavirtual.ugr.es/apli/intercambio/alumnos_in/index.html

In order to fill out the application, the candidates need to upload the following documents:

1. **Before the mobility:** The sending and receiving institutions, together with the students, must have agreed on the activities to be undertaken - students in a **“Learning Agreement”;** prior to the start of the mobility period. These agreements define the intended learning outcomes for the learning period abroad, specify the formal recognition provisions and list the rights and obligations of each party.
