Therefore, it is important to stay in close contact with your HEI at this stage.

### Detailed information

You are looking for a great study opportunity in Slovakia, right? The scholarship will be a motivational tool for you once you receive it.

## STUDYING IN SLOVAKIA REWARDS ME

There are two different processes for applicants: applying for a scholarship and applying for studies. Receiving a scholarship does not mean acceptance or enrolment at a HEI. Applicants must fulfil all admission criteria set by a HEI for admission and complete the enrolment process themselves.
